BULK
INK
REFILL SYSTEM

PRINTER MANUFACTURERS:

Heatwave, Mutoh, Mimaki, Roland, Splash of Color

Can't HAVE
TOO MUCH
of a **GOOD**
INK!

- Attaches to 5L or 20L bulk containers
- Stable ink flow for long run operation
- Closed system prevents contamination
- Visible ink level remains constant
- Refillable while printer is in use
- Usable for horizontal/vertical cartridge position
- Carts maintain static ink pressure to print heads
